SEA TO SCARP

ISSUE NUMBER 262 SHIRE OF WAROONA

Shire President's Message

Our community received some very exciting news that both major political parties have supported our new park in Waroona. That is tremendous news for council as it locks in funding for us to commence work on stage one of our town centre revitalisation. We sincerely thank our hard working local member Robyn Clarke for advocating for council to the State Government that this is a very worthwhile project to inject some vitality into our Main Street. We also thank Michelle Boylan, the Liberal candidate for Murray Wellington for also making this a commitment in the upcoming election.

At the recent Preston Beach Progress Association AGM there was a changing of the guard with long serving President Judy Carroll stepping down from the position after many years in the role. Judy has put many hours of service in this role which has seen the completion of the new community hall as well as many other successful community initiatives which have only enhanced the community of Preston Beach. Congratulations Judy, on the job you did in this position and we look forward to working with the new president Pieter Dubbelman in the near future.

Council recently had a presentation from the Waroona Community Resource Centre management. The CRC offers a very diverse range of services to our Shires residents through social services and support to online access and resources. Manager Stuart MacDonald brings a wealth of experience to the CRC and has some new and innovative programmes to help build the CRC into a sustainable and vital part of our community. It was a very informative session from Stuart, Jo and Lina and our community appreciates the work you do with the resources you have available.

With a few of our calendar fixtures returning after our disrupted 2020, its time to get out and support these events. The Waroona Lions Club are holding a giant garage sale on the 20th of March at the show grounds and are looking for quality donations. The All Aussie Car day returns in April and it will be great to see some activity in our Shire with these great occasions again.

Next Council Meeting

Next council meeting will be Tuesday 23rd March at 4pm at the Preston Beach Community Centre
