Shire President's Message

Our community is in a very different and difficult time. We are facing new measures each day that are impacting our lives and the way we interact with others. While I personally don't wish to dwell on what we are all going through at the moment in a world that has come to a grinding halt, I want to try and encourage our community that in the very difficult situation that faces us, our council is very conscious of

what lies ahead on the other side of this interruption in our lives.

I know currently that many are looking out for each other and will continue to do so, I know many are anxious about the effects of what's going on and you have every right to feel that way. I also understand that we are not exactly sure how long this disruption will last. Within each day we have faced change and for a while that will be expected.

Our community has definitely had more than its fair share of unfortunate events and it has always evolved stronger on the other side. That's because our community is made up of tremendous people who when they are called upon, always

step up to help each other. This has never been more important than now.

Council is constantly being updated by state and federal departments on the situation and we are implementing those recommendations as quickly as possible.

I can only ask that we are patient and forgiving in these circumstances we face and please know that there is support for anyone who seeks it. In the coming months, we will need each other more than imaginable and our council will be doing all it can to help our residents through this period.

The vulnerable need to be reassured and protected and our young ones need nurturing and care through this challenge. Please support those who are supporting us like our health workers our amazing ambos, our aged care networks and our business community. We all have our bit to do to knock this virus down quickly and the tough measures imposed now will help do that.

Please stay safe in these difficult times and let us look back after this event knowing we are stronger for having defeated it and ready to support our community in achieving its potential.

ALCOA WAROONA SUSTAINABILITY FUND 2020 GRANTS

Community groups and organisations in the Shire of Waroona are invited to submit applications for grants from the Alcoa Waroona Sustainability Fund.

The Sustainability Fund purpose is to fund facilities and projects with enduring value for the communities surrounding the Wagerup refinery. Funds will be allocated to community organisations, initiatives, processes and activities that contribute to the local government region known as the Shire of Waroona.

The closing date for applications is Friday 10 April 2020.

To be eligible you must be an incorporated community group and/or organisation who is domiciled and provides services predominately within the Shire of Waroona including, but not limited to, Waroona, Lake Clifton, Preston Beach, Nanga Brook, Wagerup and Hamel.

Applications can be for a broad range of community development projects both large and small that make a positive contribution to the economic, social, recreational or environmentally sustainability of the communities within the Shire of Waroona.

Projects that attract matched or partial funding from other sources and promote the concept of co-location (where appropriate) will be encouraged.

Grant application guidelines and application forms are available at the Shire Office or can be downloaded from the Shire's website www.waroona.wa.gov.au.

SHIRE OF WAROONA AMENDMENT TO THE PLACE OF COUNCIL MEETINGS

In the wake of the current COVID-19 pandemic, the State Government has developed new regulations that allow council and committee meetings to continue electronically during a public health emergency or state of emergency.

In accordance with Section 5.5 of the Local Government Act 1995, Regulation 12 of the Local Government (Administration) Regulations 1996, and Regulation 14E of the Local Government (Administration) Amendment Regulations 2020, the Shire of Waroona provides public notice of the amendment to the place of council and committee meetings.

The place of council and committee meetings that was advertised in the Annual Meeting Notice (Council Chambers) has now been amended to instead be eMeetings.

The Ordinary Council meetings will remain being held on the fourth Tuesday of every month commencing at 4pm unless otherwise stated.
