

IP007 – Crossovers

1. Intention

To ensure that crossovers are constructed in accordance with the Shire's crossover design and specifications and the requirements of the *Local Government Act 1995* and its subsidiary legislation.

2. Scope

This policy applies throughout the district.

3. Statement

Crossovers shall be constructed in accordance with standard specifications as per the Council's Crossover Procedure. Following preliminary adoption they shall remain in effect unless amended or revoked by absolute majority of Council.

Prior to constructing a crossover, owner/occupier should obtain standard crossover specifications from the Shire of Waroona and receive approval from Director Infrastructure Services for type of crossover proposed to be constructed.

If there is no crossover to the lot, the Shire of Waroona will assist with provision of one (1) crossover as follows:

- The Shire of Waroona shall refund an amount as set in the annual fees and charges for one crossover per property.
- To qualify for this refund the crossover must comply with the standard design and specifications to the satisfaction of the Director Infrastructure Services.

4. Legislative and Strategic Context

The *Local Government Act 1995* and the associated subsidiary legislation provide the broad framework within which this policy operates.

5. Review

This policy is to be reviewed as required.
