OPENING A SUCCESS DESPITE RAIN

Despite the rain, the opening night of the eighth annual Sea to ART Exhibition on Friday October 30th was attended by over 100 people who gathered to enjoy fine art and wine at the Waroona Visitor Centre's Gallery.

Newly elected Shire President, Noel Dew, officially opened the exhibition and praised the wonderful work of the exhibiting artists and of the yarn bombers who transformed the Visitor Centre's gardens and South Western Highway into a woolly wonderland.

The Sea to ART Exhibition and Yarn Bomb Waroona has seen 70 artists, artisans, yarn bombers and volunteers involved and has been an inspiring collaboration between the Visitor Centre and the community.

Exhibiting artist and bomber, Jan Burne said the joint event was a credit to all involved. "The work and commitment of the artists, bombers and volunteers show in the end result, absolutely fabulous."

Fine woodworker, Les Rowe said that he and partner Sue love the colour and fun of the yarn bombing and have spotted something new each time they've driven through town. "It's like a party and as far as the art goes, it never ceases to amaze me how much talent there is in our local area."

Children have been a big part of the yarn bombing with St Joseph's Primary, Waroona District High School, Playgroup and the Girl Guides all contributing. Enthusiasm was such that children from North Dandalup asked to be involved and created yarn flowers for the garden.

Again, Waroona's crafties have proven their generosity with donations of crafted tea cosies and numerous other items with proceeds to our local St John Ambulance. Many of the artists are donating a percentage from sales or have donated art pieces.

On the night a cheque for \$1,000 was presented to First Aid Co-ordinator, Andy Templeman Twells, who attended with Vice Chair, Jenny McNamara and Ambulance Officer, Linda LeRoy.

"As a volunteer sub-centre we need equipment to do training so that we can practice, improving our skills to better serve our community. The money being raised will go towards upgrading our training equipment. This initiative is very much appreciated and we thank the Waroona Visitor Centre and all those involved from the bottom of our hearts."

Join us for morning tea on Remembrance Day, Wednesday November 11 from 10:30am for morning tea (RSVP to 9733 1506). Kids' crafts will be held on the weekends 14-15 and 21-22. Sea to ART and Yarn Bomb Waroona will continue through November. Proudly supported by Shire of Waroona and Alcoa Australia.
