SHIRE OF WAROONA

## Shire President's Message

As we roll into winter and our shorter days return, please spend some time preparing for our usual winter squalls and storms. We generally experience high rainfall events and strong winds in the next month or two so tidying up loose ends and preparation may avoid you being out on a wet and cold night trying to fix up some damage.

Congratulations to the Waroona

Action Group. Thank you for helping to reinvigorate the Markets and for encouraging visitors to our town. Organising events such as the Markets takes quite a bit of effort and energy so well done to what you are achieving and it's great to see the support from the stall holders and more and more people showing up.

Council in the immediate future focuses on our next budget. It's always difficult to maintain the service delivery with available funding and to try and not create further burden on our already small rate base. One of the areas expected to cost significantly more this year is our annual audit. Under a change

to the Act recently, all Local Government Audits are to be conducted by the Department of the Auditor General. Our Council has a solid relationship with our current auditor and it seems he has been contracted to remain doing our audits by the Department but the unfortunate effect is it will likely cost the Shire approximately three times the amount. This is a cost imposed on all Councils and not one open to negotiation.

Council has asked for Expressions of Interest in the community for two representatives to join the Waroona Visitor Centre Working Group. The Group will consider tourism marketing initiatives, help provide Council on

strategic tourism direction and input into our involvement with broader Peel organisations. If you feel you have something you could offer in this area, please submit an application no later than the close of business on the 18th June 2018.

In the spirit of volunteering, I would like to pay special mention to Matt Della Franca. Matt has turned 18 and has now joined the Lions Club. Matt is the first of hopefully many that has been a Leo and wishes to continue serving the community in the great work the Lions do. Well done Matt.

### ON YOUR MARKS, GET SET, WINE!

Drakesbrook Fine Wines

If you love the idea of combining fitness and wine, you'll be happy to hear the Peel Region will play host to a unique and fun event called Grapest 5k Run later this year.

Proudly supported by Mandurah and Peel Tourism Organisation (MAPTO), the Grapest 5k Run will take place at Drakesbrook Fine Wines in Waroona on 17 November.

MAPTO CEO, Karen Priest, congratulated the winery and the event organisers, Centaur Outdoor Events, on making the Grapest run a reality for the region.

"Thousands of people take part in Grapest events in vineyards around Australia each year but this is the first one for the Peel Region," Ms Priest said.

"It will showcase the beauty of the area and quality of local wines to a huge audience and bring in a lot of visitors."

The Grapest 5k Run is described as 'Australia's best fun run with wine' and will see participants complete a 5-kilometre running course across a variety of terrain including grapevine rows and hills, while taking in the magnificent scenery of Drakesbrook.

As a reward at the end, there's a meandering wine tasting walk section, called the waddle, with different varieties of wine to try at each station. When the sun goes down the fun continues with live music.

Ms Priest said supporting events was an important part of MAPTO's role in encouraging tourism to the region.

"Events give people a concrete reason to visit us; they bring in participants and their friends and family, help promote the Peel and add vibrancy to our region."

Events Director at Centaur Outdoor Events, Peter Manning, said the Drakesbrook event will be well received by participants.

"It's a beautiful place and really captures what we want this event to be all about; a little fitness and a lot of fun, all while experiencing a stunning winery and vineyard," Mr Manning said.

"We hold Grapest runs across Australia and I have no doubt the event in Waroona in November will be just as successful as the others."

Tickets for the Grapest 5k Run are available on the event's website now.

# Expo added to market

David Charlesworth

BRINGING the best out of the community, the Brunswick Community Market and Expo will be on again at the Brunswick Town Hall on June 23 with more than 20 stalls and demonstrations.

Brunswick Community Resource Centre manager Jo Dalton said the event last year featured an expo while this year would also be a market day.

"It's building on last year's event and we know the community's keen on market days,

so it's just keeping that economy going," Ms Dalton said.

About 20 stallholders have registered so far featuring a variety of baked goods, arts and crafts, services and community group presentations.

"We're encouraging more stallholders to do their own demonstrations," she said.

"One of the stallholders could be painting while selling her bits and pieces that she makes."

Ms Dalton said some stalls would be interactive including activities with the Brunswick River Restoration Action

Group identifying weeds and seeds.

"They're going to have identification of seeds and weeds and that sort of thing," she said.

"I think that will be quite neat for the kids to get involved with" she said.

"Hopefully we'll see a bit more of that to keep it engaging and fun."

Ms Dalton said the community wanted to see more happening in Brunswick.

"It's an opportunity to bring people out for a social occasion, an opportunity for groups to

fundraise and raise awareness of what they do," she said. "Economically, hopefully it will bring people to the town."

The market and expo will be held in the Brunswick Town Hall, protected from any potential bad weather, from 9am to 12pm.

"Especially if the weather is bad throughout the month and people get a bit of cabin fever, it will be nice to go out for the morning," Ms Dalton said.

To register a stall contact the resource centre on 9726 1452 or email [brunswickjunctioncrc@gmail.com](mailto:brunswickjunctioncrc@gmail.com).

# Publication wins judges award

STORIES of resilience and recovery have garnered national attention with the book *Stories From the Fireground* winning a Judges Award at the Excellence in Emergency Communication Awards on June 4.

Hosted by the Emergency Media and Public Affairs, the annual awards were announced at a gala dinner in Melbourne and recognised those who had made a significant contribution to emergen-

cy communications in Australia and New Zealand.

EMPA chief executive officer Peter Rekkers presented the award to Harvey shire president Tania Jackson and community development officer Maree Ellis at the WA EMPA Conference in Perth on Thursday.

Mr Rekkers said the book struck a chord with the judges and while it did not win in the category it was nominated for, Response and Recovery, the judges felt it deserved the Judges Award.

"The book is so beautifully done but it shows respect for the stories it tells," he said.

"It was one that stood out for all of us, we were really moved by it."

*Stories From the Fireground* is a collection of sto-

ries and experiences of residents during and after the 2016 Yarloop-Waroonna Bushfires.

Cr Jackson said a lot of work had gone into the book and it was great for it to be acknowledged at such a high level.

"To have people that have been in disaster recovery for many, many years saying that we had done just such a fabulous job for our community in both talking about what had happened and also producing something that everyone else would read and learn from, was really quite lovely," Cr Jackson said.

"Maree Ellis provided such a strong link between the story-givers and the story-takers, making sure Ross had what he needed to produce such a fine work."
