

## Shire President's Message

### VINTAGE MACHINERY SHOW

Even though it rained on the Vintage Machinery Show day, there was a good crowd enjoying all the displays and exhibits. The Committee should be congratulated for an excellent event and the Committee are busy

planning for next year's Vintage Machinery Show. If you would like to join the committee please contact the Shire office.

### PERTH WILDCATS

Wasn't it great to have the Perth Wildcats in town? I feel very proud that they like to come to Waroona

and play at "our" Recreation Centre. They gave those unable to attend their games in Perth an opportunity to watch them play live. The players attended the two local schools conducting clinics with the children. Thanks to all those concerned and I hope we see them here again

in the near future.

### WAROONA SHOW

By the time this goes to print the Show would have rolled out of town on to the next one. I would like to take this opportunity to congratulate the Waroona Agricultural Society committee and their volunteer helpers for all the

hard work they put in to make the Waroona Show one of, if not the best show in the South West. An event like this takes 12 months to pull together. Well done everyone who volunteered their time before or on Show day.

## SEA TO ART

With only two weeks until opening night excitement is building. Sea to ART entries number over 120 with 40 artists and artisans getting ready to put their talent on show.

Turning the event into quite a family affair will be Caitlyn Bonnett and older sister Alanah Uren, and mother Tarnia Bonnett could not be more proud of her daughters. Mother and daughter team, Everyn and Elise Slattery are looking forward to opening night. Everyn, who many would recognize as Everyn Sturges, is delighted to have Elise join her as an artist this year.

Bill, Tessa, Tony and Tahla Harbour (pictured L-R) are all exhibiting in the Painting & Drawing Category. "I exhibited a few years ago and Tahla entered last year but 2014 will be very special as I'm joined by three of my four children," said Tony.

Sea to ART again promises to be an exceptional local event showcasing the depth of talent in our arts community and there are bound to be more than a few surprises.

The exhibition will open to the public Saturday October 25th and run for ten days to 3:30pm on Monday November 3rd. It's not to be missed and all visitors are encouraged to vote for their favourite piece in any category to help choose the 2014 People's Choice.

The community are invited to attend a complimentary morning tea at 10:30am on Monday October 27th to view the works and to meet the artists, many of whom will be on hand to welcome guests. Those wishing to come along to the morning tea are asked to RSVP on or before Thursday October 23rd to 9733 1506 or email [visitorcentre@waroona.wa.gov.au](mailto:visitorcentre@waroona.wa.gov.au).

Waroona Visitor Centre & Gallery is open daily from 9:30am - 3:30pm at 37 South West Highway. Sea to ART Exhibition is a Summer Event sponsored by Alcoa Australia and Shire of Waroona.

## WILDCATS TAKE WAROONA

Friday the 26th of September saw the Perth wildcats take on Melbourne United in Waroona in the first of their three-game pre-season series. With the NBL reigning champions comfortably defeating their opponents 81-66.

The game, which tipped off at 7pm at the Waroona Recreation and Aquatic Centre provided an exciting preview of what to expect from two of the competition's biggest clubs in the upcoming season and also saw Waroona be Waroona treated to WA's first glimpse of boom Perth Wildcats import DeAndre Daniels being cleared to take the court.

The game started at a frantic pace with both teams moving the ball fast and scoring with apparent ease, before becoming a game of runs in the second term.

Fans also had the opportunity to meet the players from both teams as they partook in a signing session after the game. An outstanding third quarter from the Wildcats saw them outscore Melbourne United and open up a game-winning advantage which saw the Wildcats claim a 15 point victory in the end.

If having the chance to witness the Wildcats in action wasn't enough, two days prior to the lead up to the big game, the Wildcat players took some time out from their pre-game training to visit our local's schools. On both Thursday and Friday, five of the Wildcats listed players treated the schools to clinics fill with skill building challenges and competitive games before allowing the students to pose for photos and ask for autographs.

## HESSE STREET RECONSTRUCTION

As part of the 2014/15 Road Construction Program Council is planning to carry out works on Hesse Street from Thatcher Street to Hair Street in the Waroona town site. Funding for the Hesse Street reconstruction has been received from the Royalties for Regions' Country Local Government Fund program. Plans are currently being finalised and Council

## Celebration of Everything Vintage Waroona Vintage Machinery Rally

The bad weather on Sunday the 7th of September couldn't keep enthusiasts away with this year's Waroona Vintage Machinery Rally being a great success. Now in its third year, the annual event showcasing all things vintage gathered a larger than expected crowd, with approximately 3000 attendees throughout the day, delighting organisers with its popularity and continual growth. The event, a one of a kind in the Peel Region, is hosted by The Old Machinery Club of WA in conjunction with the Shire of Waroona and the Waroona Lions Club and held on the Waroona Town Oval (Showground's).

The Vintage Machinery Rally included exhibitors of engines, cars, tractors, trucks, motorbikes, tools, chainsaws, antiques, collectables and anything vintage. The opening ceremony commenced with Neil Twaddle welcoming all to the event and thanking everyone who participated in ensuring the success of the event, followed by Shire president Christine Germain and then exhibitors were told to 'Start their engines' by MLC Murray Cowper.

Fanatics from across WA were entertained by the car displays and working engines. The food and market stalls were kept on their toes and the Walmsley pavilion was packed to the rafters with tool, handmade boat and woodwork exhibitions. The Vintage Machinery Rally delivered the perfect family day out, a bonus for both vintage enthusiastic dads and their kids with free children's entertainment like the Lions train and face painting throughout the day. The lap of honor provided an opportunity to see all the tractors, motorbikes, cars and engines in action.

L-R: Alvin Munger Scott Thompson, Shire President Christine Germain, MLA Murray Cowper, Community development officer Naomi Purcell, Phil Turner of the Waroona Lions Club, Neil Twaddle of the Old Machinery Club, Ian Curley Shire CEO, Roland Ulrich of the Old Machinery Club.

This annual celebration of everything vintage promises to have something for all the family to enjoy and without the support of those involved it would not be possible. Thank you to the Old Machinery Club, the Lions Club, the Shire of Waroona, Shannon's Insurance and ALCOA.
